

If you have been involved in an ACCIDENT we can help

Have you been involved in an accident in the last 3 years, which wasn't your fault?

If so, you may be eligible for compensation relating to your injury and/or financial loss.

When considering a claim, you may have been put off by the marketing methods and poor press of some large claims companies, but you still feel you need help.

So what should you do?

Contact Swift Medical for help and advice. With ten years experience in the medico-legal field, Swift Medical is soundly based with a professional medical background and working relationships with solicitors whom we trust. We pride ourselves on our ability to help and advise you. We will introduce you to solicitors experienced in handling all types of personal injury cases. The solicitors will arrange insurance to cover all outgoings and expenses in your case at no cost to you whether you win or lose the case.

Swift Medical may even be able to arrange for you to benefit from early private medical treatment, paid for by the third party's insurers.
