

Independent Medical Evidence

Swift Medical Services provides independent medical reports for personal injury claims, employment tribunals, children's reports and discrimination claims, medical effects of housing disputes etc. Our reports are accepted by plaintiffs and insurers.

Established in 1991, we are independent and run by Doctors with extensive experience in the provision of medico-legal services. We pride ourselves on our exacting standards and are members of the British Quality Foundation and the Expert Witness Institute.

- Total Management of the provision of reports, saving lawyers' time and effort.
- Careful selection of an appropriate medical expert according to performance indicators, speciality and location. Our nationwide network of experts currently includes over 2,500 specialists.
- A facility to obtain the client's medical records where necessary.
- A scheduled appointment for consultation between the claimant and the medical expert.
- A rigorous quality control system to ensure that all reports are of a high standard, compliant with the Woolf Reforms and acceptable by the court.
- A detailed database to inform all processing enquiries promptly, with regular up-dates of the progress of each case.
- A facility to organise treatment recommended by the medical expert, dealing with non-legal matters and saving lawyers' time.
